Successful community leadership has allowed the Foundation to become one of the top 100 community foundations in the nation with \$173 million in assets.

The Foundation's Board of Directors is the region's most respected and accomplished fiduciary which oversees a staff recognized as South Florida's most qualified community and philanthropic experts. Their diverse skills deliver the customer service philanthropists expect from a world-class philanthropic advisor.

Thanks to our 450 personalized charitable Funds, the Foundation has invested more than \$80 million in grants to make Broward better. For Good. For Ever.
